

## YEAR 11 BOYS WIN DISTRICT CUP!!

On Wednesday 1 May our Year 11 Boys' Football team played against Salesian School in the final of the U16 District Cup Final at the EBB Stadium, Aldershot. This was the culmination of a lot of hard work from the boys throughout the season, but most notably in the cup run that saw them reach the final. The boys started the final incredibly well and took an early lead through a well taken goal by Oli Henry. We settled well and started moving the ball around nicely, taking advantage of the amazing playing surface at the EBB Stadium. Salesian provided different threats all over the pitch and the boys did well to keep them at bay.

Unfortunately Salesian equalised late on in the first half, from a well taken goal by their centre forward - 1-1 at half time.

## FROM THE PRINCIPAL ...

### Exams Starting this Week

Good luck to our Year 13 and Year 11 students who start sitting their examinations in the next few days. A reminder that lessons continue until half-term and that, after half-term, staff will be available in their classrooms during previous timetabled times to give individual help and support. There are also a number of after-College revision sessions (in a variety of subjects) and Saturday morning revision sessions (Maths - sign up on Edulink). Students should be aware of these opportunities and I hope many of them take advantage of them.

Good luck to all students!

*Mr Tanner - Principal*

## DOES YOUR CHILD SUFFER FROM HAY FEVER?

We are beginning to see more students in first aid suffering with Hay Fever.

**Please Note – We do not supply antihistamines in College.**

If your child suffers from Hay Fever, can you please ensure that they take their medication before coming to College. We can, however, hold your child's own medication in College. Please hand in to Barossa or Kingston Reception along with a completed Parental Agreement to Administer Medication form, which can be found on Edulink – Noticeboard – Forms.

Many thanks. *Barossa Office*

## ATTENDANCE - LEAVE OF ABSENCE/ HOLIDAY REQUESTS

Just to remind parents/carers that if they take their children out of school without authority, they will be liable to receive a penalty notice. Currently the amount payable under a penalty notice is £60.00 per parent/carer per child if paid within 21 days. Thereafter the amount increases to £120.00 if paid between 21 and 28 days. If the penalty notice remains unpaid after 28 days, the Local Authority will consider a prosecution in the Magistrates Court. Please note that penalty notices are issued per parent/carer per child so a family of two parents and two children will receive 4 penalty notices.

## YEAR 11 BOYS WIN DISTRICT CUP!

CONTINUED FROM PAGE 1

Our boys came out firing in the second half and had a few chances that did not quite come off on the night. They continued to look confident and moved the ball well. The Aldershot pitch is a very large playing surface and gaps were starting to appear in both halves as the players naturally started to tire.

Salesian took the lead mid-way through the second half despite a valiant effort from Josh Rushe in goal to keep the ball out. Salesian then continued to pile on the pressure but the boys stood firm and in particular Josh pulled out an incredible save to keep the game at 1-2. I always believed in the boys and the never say die attitude they have. Moving into the last 10 minutes they continued to play their passing game and ironically our equalising goal came from a long ball by Josh, flicked on by Oli, and James Hennessy was through on goal. James dribbled through, kept his composure and managed to slot the ball home to bring the game level at 2-2 to the delight of the large Collingwood crowd that had come to support the boys. The last few minutes seemed to go by quite quickly and the game ended 2-2. Penalties!

Penalties as always are a lottery - there has to be a winner and unfortunately a loser so I made it clear to the boys that they were all winners regardless of the result. I was incredibly impressed with the boys' integrity in stepping up to take the penalties. Josh managed to save the Salesian's second penalty which gave us an advantage, but unfortunately we could not convert our 5<sup>th</sup> penalty to win the game - into sudden death we went! Eventually we went 8-7 up on penalties and the Salesian's captain stepped forward, but put his penalty kick wide - we were District Champions!!

The scenes of celebration at the end were ones I will never forget - I was so proud and also delighted for all their hard work. To play your last ever school football game and walk away Cup winners is something they will remember for the rest of their lives. Fast forward a week and the boys and myself joined Miss Watling (Acting Principal) for a very nice Dominos lunch washed down with Doughnuts and home made cakes, whilst reliving the final on the big screen in our Conference Room.

I would like to publicly thank the boys and their parents for all the effort and support over the past five years. I wish all the boys every success as they move on and I am sure plenty of them will have future successes within the game.

# YEAR 9 STUDENTS GAIN INSIGHT INTO POST-16 POSSIBILITIES

**On Wednesday 1 May, a group of Year 9 students were invited to attend the annual Achievement Conference in Kingston Theatre.**

Organised through Higher Education Outreach Network (HEON), students took part in three twenty-minute sessions of their choosing – these included talks on Apprenticeships, Sport, Art, Social Sciences and Science.

Staff and current students from a range of Universities and Higher Education providers delivered highly engaging and interactive sessions for our students to take part in, all with the purpose of highlighting possible academic pathways available to them.

All students took full advantage of this great opportunity, behaving impeccably and asking insightful questions. Many students left saying they had had their eyes opened to the vast array of post-16 possibilities and felt more motivated to succeed academically as a result.

## YEAR 7 NETBALL TEAM WIN LEAGUE AND PROGRESS TO SURREY FINALS

Congratulations to the Year 7 Netball team who, on Friday 26 April at the Surrey Sports Park, won their league and progressed to the Surrey Finals Tournament representing the Woking District.

This year, there were two leagues – An Inspire for first placed teams and an Aspire for 2nd placed teams. The Woking District organises its Year 7's into two divisions. Having won ours and performed so well at the district tournament, we progressed as the top team and entered the Inspire league.

We knew this would be a challenge – the standard of play was extremely high and the umpiring very strict, but I always believe you should push yourself and play at the highest level you are capable of. Whilst the girls won one match and lost 4, they certainly did not look out of place – they played some excellent netball and worked hard throughout, even in the toughest of matches. In fact, they grew in confidence as the tournament went on and played some of their best Netball against Weydon School who were undefeated and won the Tournament.

**Squad:** Harriet Andrew, Lottie Cook, Angelie Garcia, Emily-Mae Hodgson, Daphne Hood, Freya Langford, Madison Lesser, Chloe Marshall (Captain), Philippa Yuen

I look forward to next year's season and hope to have the opportunity to return to this great day out!

Well done girls, I am very proud of you!
