

HARLEY REACHES NEW HEIGHTS IN WATER-SKIING COMPETITIONS!!

Harley Coster (10H) has achieved amazing results in major water-skiing competitions over the summer break.

He competed at the World Water-ski Championships in Calgary, Canada at the end of July as part of Team GB. As one of the youngest competitors skiing in an age category above his own, he did amazingly well and has settled his nerves for the next one in 2 years' time in Argentina which he will then be skiing in the correct age category of Under 17's.

In August Harley went on to compete at the European Water-ski Championships in Milan, Italy and skied in his U14 Category. He won five medals: Gold in Jump (jumped a personal best of 42 m), Bronze for Trick, Bronze for Slalom, Silver for Overall and Silver for Team GB.

THE LANGUAGES DEPT BAKE-OFF IS BACK!!

It is with great pleasure to announce that the Languages Dept Bake-Off is back!

As part of the European Day of World Languages celebrations, the Languages Department is inviting all students to bake a cake representing a country of their choice. Students should bring their cakes to the Conference Room in Kingston before morning registration on Friday 27 September and then collect at the end of Period 5.

We cannot wait to see all of the students' wonderful creations. Get ready, set, bake!

Ms Baadwin - Head of Languages Department

Thursday 3 October:	Early Closure, finishing at 12.20pm Open Evening, 5.00pm until 8.00pm
Friday 4 October:	Additional College Day Closure

READING CLUB

The Library will be running a Reading Club after school on a day that is most convenient for students to make. If your son/daughter would like to be part of this Reading Club, then please ask them to visit the library and speak to Ms Blay, Library Manager, to add their name to the list.

The club is open to all students and will run from 3.05pm to 3.50pm on a chosen day after the October half term.

So if your son/daughter is a big fan of reading, please encourage them to visit the library to be part of the Reading Club.

Ms Blay - Library Manager

WOULD YOUR SON/DAUGHTER LIKE TO BE A STUDENT LIBRARIAN?

Calling any students from Years 8 and above who would like to become a Student Librarian during break time, lunch time or even after College, and earn praise points at the same time!!!

The role would involve checking all books, DVDs and listening story books are in order and on the shelves neatly and tidying up the chairs and computers when students leave after break time/lunch time.

The library is a very busy area and I would like up to six students to become Student Librarians to help keep the library running in an orderly fashion. If your son/daughter could help the library on a regular basis, then please ask them to see Ms Blay in the library any time before school, break time, lunch time or after school.

Ms Blay - Library Manager

HARLEY REACHES NEW HEIGHTS IN WATER-SKIING COMPETITIONS!!

CONTINUED FROM PAGE 1

The British Water-ski Federation wrote to him personally and said it was the best haul of medals from an individual in this age category in a very long time.

At the end of August Harley then skied in the British National Championships - Lincoln. He won four Gold medals for Jump, Slalom, Tricks and Overall and also broke the British Jump record with a jump of 43.9 m.

Currently Harley is first in the world rankings for Slalom and Jump and fourth for Tricking for the U14 category. His family are incredibly proud of him, as are all of us here at Collingwood. His hard work and dedication is definitely paying off!!!

25 November				
2 December	Factorising and Solving	Linear expressions and equations	Quadratics, Completing the square	Quadratic Formula, Completing the square where $a \neq 1$
9 December	Angles	Angle Rules	Angle Rules	Circle Theorems
16 December	No revision	No revision	No revision	No revision

YEAR 7 FOOTBALLERS BEGIN SEASON WITH A CONVINCING WIN!

Year 7 v Yateley (Collingwood won 4-1)

Collingwood's Year 7 boys' football team began their secondary school journey with a trip to Yateley School on Monday 16 September. As you can imagine the boys were incredibly excited for their first game and the minibus journey over was a loud experience. Having only had one trial the previous week, the boys settled really well into the game playing some good passing football.

All the boys put in a huge amount of effort and determination in what turned out to be a very hot September day. Collingwood pressed well throughout the game and made sure that they won first and second ball which put a great deal of pressure on the Yateley defence. With a squad of 13 players we made continuous subs throughout the game and all the boys were a credit to Collingwood in how they represented themselves.

Goal scorers were Joseph Calvert, Jamie King and Daniel Shannon (2).

Team: Michael Harding 7J, Archie Martin 7I, Joseph Calvert 7I, Daniel Shannon 7A, Jamie King 7H, Luke Fidgeon 7B, Rylee Lezar 7F, Harley Dann 7A, Jake Byatt 7G, Freddie Snape 7H, Cooper Paul 7E, Tommy Kavanagh 7J and Leon Steward 7G

Man of the Match: The whole team, a great first outing for the boys!

Next game is Weydon School, Farnham next Monday 23 September.

Mr Andrews/Mr Saunders - PE Department

CURRICULUM AND PARENTS' INFORMATION BOOKLETS

Please note that the Year 7 Curriculum Booklet is now available to view on Edulink (Noticeboard, Curriculum Information, Year 7, Year 7 Curriculum Booklet) and the Parents' Information Booklet is also available to view on Edulink (Noticeboard, Parents' Information Booklets and Guides, Parents' Information Booklet).

Assembly Music

LAURYN THUE-TUN

Lauryn was very kind to play the piano for the Y9 assembly this week.

If you would like to play for the assembly please let the team know.

FREE SCHOOL MEALS

If you are in receipt of benefits, your child could be entitled to a Free School Meal.
A healthy, nutritious meal has shown to improve levels of concentration.

For further information and an
Application Form please contact
t.moody@collingwood.surrey.sch.uk

Childhood Immunisations Given in Secondary School

The Immunisation Team are responsible for the planning and delivery of the school-age immunisation programmes in Surrey. The vaccination programmes are primarily carried out in schools, although we also offer clinics in other community settings for home-educated children and other children depending on their individual needs.

During your child's time at secondary school, they will be offered the following vaccinations:

Year	Vaccination	Description
Year 7 – 11 Aged 11 to 16	Flu	Carried out during the Autumn term. This is offered via a nasal spray. We can also offer an alternative vaccination, which does not contain porcine gelatine, this is delivered by injection into the arm.
Year 8 Aged 12 to 13	HPV	This is offered to both girls and boys in Year 8, normally during the Summer Term. The HPV virus increases the risk of developing some cancers in later life, such as: cervical cancer, some mouth and throat cancers and some cancers of the anus and genital areas. Evidence is clear that the HPV vaccine helps protect both boys and girls from HPV-related cancers.
Year 9 Aged 13 to 14	Tetanus, Diphtheria, Polio (Td/IPV)	This is given in Year 9, normally in the Spring term, and is sometimes called the final school booster. Tetanus is a painful disease affecting the nervous system and is caused when germs found in soil and manure get into the body through open wounds. Diphtheria is a serious disease that often begins with a sore throat. It can damage the heart, nervous system and in severe cases may kill. Polio is a virus that attacks the nervous

		system and can cause paralysis of the muscles if it affects the chest muscles or brain it can kill.
Year 9 Aged 13-14	Meningitis ACWY	This is also given in Year 9 alongside the Td/IPV vaccine. This vaccine protects against the four main groups of meningococcal bacteria that can cause meningitis (infection of the layers that surround the brain and spinal cord) and septicaemia (blood poisoning) meningococcal disease is rare but really serious and can lead to amputation, hearing loss, brain damage and scars.

Your child needs five doses of tetanus, diphtheria and polio to build up and maintain immunity. This is normally given at 8, 12, & 16 weeks and again aged 3, with the final dose given in Year 9. You can find your child's preschool vaccination history in their Red Book where early childhood immunisations should be recorded, alternatively, you should contact your GP.

Your school will liaise directly with you, at the appropriate time, in order to complete the necessary consent forms.

For more information on our service, visit:

<https://childrenshealthsurrey.nhs.uk/services/immunisations>

Further details on the full childhood vaccination programme can be found at:

<https://www.nhs.uk/vaccinations/nhs-vaccinations-and-when-to-have-them/>
